

FAX★STAR® ASSISTANT iSeries/400

The Fax Traffic Manager For The iSeries/400

The Complete Fax Solution

Manage All Faxing From Your iSeries/400

Fax★Star Assistant is a user friendly fax traffic manager for the iSeries/400. It can automatically add fax commands to your spooled files, display received faxes in graphic mode, keep track of all iSeries/400 faxing in real-time, perform batch faxing, and much more. The Fax★Star Assistant user interface makes all of these tasks, and many others, very simple to perform. Fax★Star Assistant works with all types of Fax★Star Servers.

- Manage All iSeries/400 Fax Activity.
 - Display Fax Status.
